

Andersen Legal keeps on hiring

ANDERSEN Legal's European network is continuing its hiring spree with the recruitment of an Italian M&A partner from Carmelutti.

Giuseppe Barreca will lead a newly-formed team of international transactional specialists at combined tax and legal practice Studio di Consulenza Legale e Tributaria in Rome.

Barreca brings more than 15 years of experience advising a substantial number of multinational groups, including Hughes Corporation, Servisair, Air Products and Incepta Group, and banks such as Mediocredito Centrale and UBAE Arab Italian Bank.

Patrick Bignon, worldwide managing partner at Andersen Legal, says: "Having a lawyer of Giuseppe's ability and experience will greatly enhance our M&A capability."
